Accounting & Taxation: GAAP | Ind AS | Financial Reporting | Month-End Close | Variance Analysis | GST | TDS | Income Tax Compliance

Tools & Analytics: Microsoft Excel (Advanced) | CaseWare IDEA | Alteryx | Power BI | QuickBooks | Tally | Zoho Books | Optro

EXPERIENCE

Internal Audit Intern | *Illinois Housing Development Authority (IHDA), Chicago, IL* Jun 2026 – Aug 2026

- Supported risk-based internal audits across five departments (IT, Multifamily, Accounting, Finance and HR), performing control testing, evidence review and workpaper documentation.
- Tested the organization's AI copilot against governance requirements (access, data sharing, acceptable use, output reliability and bias metrics); documented exceptions with risk ratings, remediation timelines and management action items.
- Tested 15+ disbursements for approval, supporting documentation and correct coding, using sample-based control tests of 10+ items each.
- Evaluated Risk & Control Matrices (RCMs), acceptable-use policies and control effectiveness of software deployments; followed up with control owners on remediation of 3+ audit findings.
- Executed design and operating effectiveness testing across key financial statement assertions; documented audit trails and resolved 8 balance sheet reconciliation exceptions during fieldwork.
- Maintained the risk register in Optro (15+ risks tracked by rating, control owner and remediation status across business units); authored an Optro user manual to standardize audit procedures.

Financial Analyst | *Nirved Ventures LLP* Jul 2023 – Nov 2024

- Reviewed 500+ vendor invoices monthly for GST input-credit eligibility and coordinated tax reconciliations with external auditors.
- Performed subsequent disbursements testing on post-year-end expenditures exceeding INR 25 Cr+, verifying invoice dates and receiving logs to validate completeness of accrued liabilities and cutoff integrity.
- Prepared GST, TDS and income tax filings in Tally, Zoho Books and QuickBooks, maintaining supporting documentation for compliance reviews.

Accounting Analyst | *Dilly Hardware Company* Jun 2020 – Jul 2023

- Facilitated statutory audit PBC deliverables, performing balance sheet substantiation and multi-party debtor/creditor reconciliations across INR 50 Cr+ balances under Ind AS and Schedule III guidelines.
- Assisted engagement seniors with Standards on Auditing (SA 505) compliance, drafting external bank and vendor confirmation requests and resolving ledger-to-subledger reconciling differences.
- Reconciled purchase registers with GSTR-2B reports to verify Input Tax Credit (ITC) eligibility and ensure accurate period-end statutory tax accruals.

Article Assistant (Audit), CA Articleship | *Jain Sharma & Company, Chartered Accountants* Aug 2017 – Mar 2020

- Performed statutory, internal and tax audit procedures across 50 client engagements over 2.5+ years in FMCG, real estate, transportation, other services, professional practices (doctors, architects) and banking, including vouching, substantive testing and financial statement review.
- Prepared audit working papers supporting risk-based testing and account reconciliations; identified financial reporting exceptions.
- Engineered automated Alteryx workflows to perform full-population journal entry testing across 50,000+ ledger entries, isolating high-risk transactions, round-sum postings and weekend adjustments for senior review.

PROJECTS

Financial Error Detection | *CaseWare IDEA*

- Built automated audit tests to identify accounting errors, anomalies and irregularities in financial data.

SEC Financial Statement Analysis

- Performed comparative financial statement analysis of consumer discretionary companies.
